Commissioner:

Your 55818/652-F; HO OI YEE.

The above named alien departed from this port April 7, 1941, on the SS "President Pierce", which sailed direct for the Orient on that date, departure being verified by an officer of this station.

The bondsmen in this case have furnished a report indicating that the alien was continuously employed at the Mandarin Theatre in this city during his residence in the United States, and did not become a public charge at any time since his admission at this port under bond on December 8, 1939. Inquiry at the local office of the California State Relief Administration reveals that there is no record of the alien having received relief through that organization at any time.

Instruction is respectfully requested as to disposition of the outstanding public charge and departure bond in this case.

That I do not intend to immigrate into the United States and that I consider myself to be a nonimmigrant under the provisions of the Immigration Act of 1924 on the following grounds: Temporary Visitor - Actress (Wardrobe woman)

I offer for inspection the following documents in support of my claim: Affidavit prepared by Chan Lai-ting, Acting Representative in China of the Mandarin Theatre, on October 30, 1939, before Notary Public, M. W. Lo, at Hong Kong; Contract dated October 28, 1939, between myself and Chan Yu-tin, holder of Power of Attorney from the Mandarin Theatre.

No.

(Applicant should here explain circumstances if he has applied for or been refused a visa, denied admission into the United States, or has been deported or repatriated from the United States)

I am aware that my entry into the United States is subject to the immigration laws of the United States, including the act of February 5, 1917, section 3 of which provides for the exclusion of aliens of various classes, and the act of October 16, 1918, which, as amended by the act of June 5, 1920, provides for the exclusion of anarchists, and other persons who hold to or support doctrines or movements of a politically subversive character, inimical to the United States, directly or through membership in, or affiliation with, organizations of a subversive character.

I realize that if I am found to be one of a class inadmissible into the United States under any of the provisions of the immigration laws of the United States, or if my classification as a nonimmigrant alien is not approved upon arrival in the United States, I may be detained, or excluded and deported, by the immigration authorities, and I am prepared to assume the risks of such detention, or exclusion and deportation.

I understand that section 15 of the Immigration Act of 1924 provides that: "The admission to the United States of an alien excepted from the class of immigrants * * * shall be for such time as may be by regulations prescribed, and under such conditions as may be by regulations prescribed (including, when deemed necessary for the classes mentioned in clause (2), (3), (4), or (6) of section 3 * * * the giving of bond with sufficient surety, in such sum and containing such conditions as may be by regulations prescribed) to insure that, at the expiration of such time or upon failure to maintain the status under which admitted, he will depart from the United States."

I am aware that section 2 of the Deportation Act of March 4, 1929, as amended, provides that: "Any alien who hereafter enters the United States at any time or place other than as designated by immigration officials or eludes examination or inspection by immigration officials, or obtains entry to the United States by a willfully false or misleading representation or the willful concealment of a material fact, shall be guilty of a misdemeanor and, upon conviction, shall be punished by imprisonment for not more than 1 year or by a fine of not more than $1,000, or by both such fine and imprisonment."

I realize that section 22 (c) of the Immigration Act of 1924 provides that: "Whoever knowingly makes under oath any false statement in any application, affidavit, or other document required by the immigration laws or regulations prescribed thereunder, shall, upon conviction thereof, be fined not more than $10,000, or imprisoned for not more than 5 years, or both."

I solemnly swear that the foregoing statements are true to the best of my knowledge and belief.
